

LUCKY STAR

(L&M: Sir Marlowe)

We had some good time
In 1986
Longing for the stars at night
We build brick by brick

We made this burning mistakes
In 1986
And I kept on running
Stupid like a chick

Lucky star
Lucky star
Lucky star
You were my lady star

Lucky star
Lucky star
Lucky star
You were my lady star

Lucky star
Lucky star
Lucky star
You were my lady star
