

## **HIGH HEELS**

*(L&M: Sir Marlowe)*

Push up      and leather  
Always      on my mind  
Girls      dressed with black lace  
That`s      what I like  
Yeah...

High heels  
Let me feel  
High heels  
Let me feel

High heels  
This damned high heels  
High heels  
Always on my mind

High heels  
Let me feel  
High heels  
Let me feel
